## JOURNEYING TOGETHER

On behalf of our entire team at Hornepayne's Community Hospital, we extend our support. We understand this is a difficult time, and we are here to provide comfort and care to both your loved one and your family.

## Your Serenity Suite

To help make your time with us as peaceful as possible, we've arranged a private palliative care suite just for you and your loved one.

You'll find:

- A dedicated kitchenette stocked with:  
Coffee & Tea  
Milk, cream, sugar  
Cutlery & other necessities
- A quiet, comfortable space for rest and reflection

## VISITING & COMFORT GUIDELINES

We want you to feel welcome at any time - day or night. To maintain a serene environment for all patients, we kindly ask:

### **Unusual Visting Hours:**

- Overnight stays are welcome, but try to avoid wandering patient and staff areas of the hospital.

### **Number of Visitors:**

- Limit the number of visitors at one time to keep the space calm and respectful and to allow staff to provide care effectively.

Your well-being is our priority. Let us know how we can support you.
